Advent Appeal 2024

Good Afternoon,

I hope this message finds you well.

Caring Sunday will take place on Sunday, 15 December of this year and I have enclosed a copy of the Archbishop's Caring Sunday address for your reference.

I am pleased to inform you that the St. Nicholas Care Fund will be delivering our printed Advent packs to the parishes on Thursday, 5 December, and Friday, 6 December. These Advent packs will include our updated newsletter, which highlights some of the projects and initiatives supported by the Care Fund over the past twelve months. Additionally, the packs will contain an envelope for small donations, a form for setting up regular donations, and a self-addressed envelope.

This year's newsletter features a QR code on the back, enabling donors to make quick, secure contributions directly into our bank account using their smartphone cameras.

The Board of Trustees of the St. Nicholas Care Fund wish to extend our heartfelt gratitude to all who support and generously donate to our Caring Sunday appeal.

Should you have any questions regarding the delivery of the Advent packs or any other matters, please do not hesitate to contact me.

Thank you for your continued support.

Sheena Kenny
PCT Co-ordinator
